**Abutilon Lucky Lantern**

**Passion**

*Abutilon hybrida*

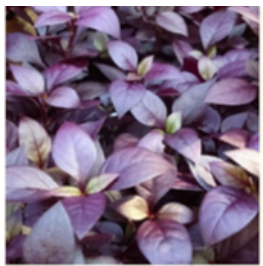

Full sun. 12" x 12" . Large, brilliant red, bell-shaped flowers. Appreciates afternoon shade.

**Alternanthera Brazilian Red Hots**

*Alternanthera dentata*

Full sun – part shade 10-12" x 18-20". Stunning bright pink foliage that is slightly variegated. Loves humidity and can be heat tolerant.

**Alternanthera Little Ruby**

*Alternanthera dentata*

Full sun – part shade 8-10" x 18-20". Deep burgundy foliage is enhanced by lighter colored new leaves, spreading plant.

**Alternanthera Party Time**

*Alternanthera dentata*

Partial sun 12" x 12". Green and pink foliage interest. Great low maintenance plant.

**Argyranthemum Coral Pink**

*Argyranthemum frutescens*

Sun 12-24" tall. Has more profuse flowering and a larger bloom. Rich pink color, great in the spring.

**Argyranthemum Beauty Yellow**

*Argyranthemum frutescens*

Sun 18-24" tall. Bright yellow that screams spring and pops in any container or landscape.

**Basket Grass Variegated**

*Oplismenus hirtellus*

Full sun or shade 6-10" x 18-24". A spreading foliage plant with accents of pink

**Brachyscome Neon Lights**

*Brachyscome*

Violet colored flowers with chartreuse colored foliage. Constant bloomer all summer long, quick to grow.

**Brugmansia Peach Parfait - Variegated**

*Brugmansia candida*

Sun 6-10' tall. Broad variegated foliage contrasts nicely with the nodding peach blooms. Fragrant at night!

# Begonias

**Amstel Blitz Yellow**

*Begonia hiemalis*

Shade 12" x 9". Abundant bright yellow blooms, perfect for shade containers and beds.

**Amstel Carnival**

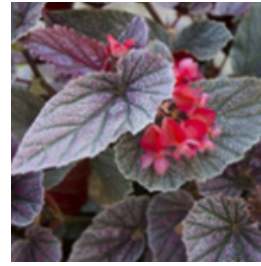

*Begonia hiemalis*

Shade 12" x 9". A mix of peach colored blooms edged in darker orange. Great color for shade.

# Begonias

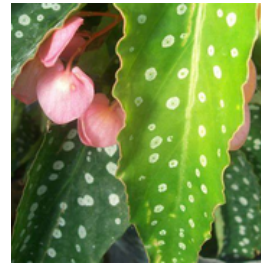

**Amstel Dark Britt**  
*Begonia hiemalis*  
Shade 12" x 9". If you want a deep orange color, 'Dark Britt' is the begonia for you. It has a warm pleasing color.

**Angel Wing Miss Mummy**  
*Begonia coccinea*  
Light shade 18-24" tall. This beauty has pink and silver foliage. Great in shade combinations.

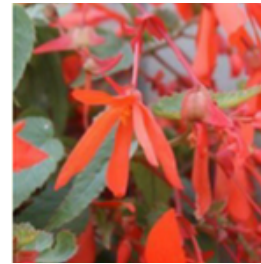

**Amstel Netja Dark**  
*Begonia hiemalis*  
Shade 12" x 9". A darker shade of pink with multiple blooms.

**Angel Wing My Special Angel**  
*Begonia tuberosa*  
Shade 18" x 24". Large angel wing shaped leaves covered in silver spots.

**Amstel Veronica**  
*Begonia hiemalis*  
Shade 12" x 9". A pleasant double red begonia bloom.

**Bossa Nova Orange**  
*Begonia boliviensis*  
Sun to part shade 12-16" x 16-20". Great for containers and landscapes.

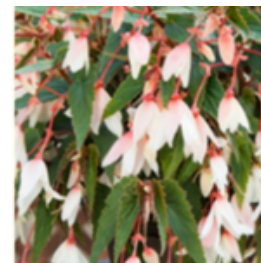

**Begonia Torch Pink**  
*Begonia Torch Pink*  
Full sun, can grow up to 4'. Great for hanging baskets.

**Bossa Nova Rose**  
*Begonia boliviensis*  
Sun to part shade 12-16" x 16-20". Great plant all year. Likes hot and dry conditions. Prolific bloomer.

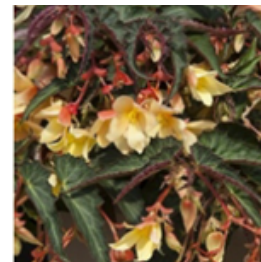

**Angel Wing Frosty**  
*Begonia frosty*  
Part shade to sun 7"-9" tall. Shiny, smooth and ovate bronze leaves, great in containers or landscape.

**Bossa Nova White**  
*Begonia boliviensis*  
Sun to part shade 12-16" x 16-20". A well branched plant that looks awesome in containers or landscape.

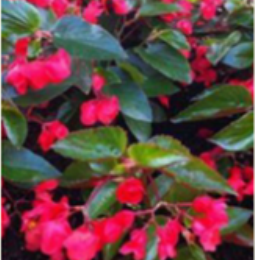

**Angel Wing Looking Glass**  
*Begonia coccinea*  
Light shade 18-24" tall. A smooth textured plant with silver gray foliage, with dark pink under the leaves.

**Bossa Nova Yellow**  
*Begonia boliviensis*  
Sun to part shade 12-16" x 16-20". Great creamy yellow color.

# Begonias

**Dragon Wing Red**  
*Begonia hybrida*  
Part shade to shade 14" – 18"  
tall. Heat tolerant plant that  
blooms all season. Great in  
containers or landscape.

**Gryphon**  
*Begonia hybrida*  
Part sun 14" – 16" x 16" – 18".  
Nicely fills landscape  
plantings. More tolerant of  
stressful conditions.

**Dragon Wing White**  
*Begonia hybrida*  
Part shade to shade 12"-15"  
tall. Heat tolerant plant that  
blooms all season. Great in  
containers or landscape.

**Trailing Brazilian**  
*Begonia incarnata*  
Shade to sun 6" x 18". Trailing  
Begonia with attractive dark  
colored leaves. Small white  
flowers will appear, but are  
not showy.

**Dragone Champagne**  
*Begonia hiemalis*  
Shade 12" x 9" Light pink color  
with multiple blooms throughout  
late spring and summer.

**Trailing Fragrant Falls  
Peachy Keen**  
*Begonia fragrant falls peach*  
Part shade. 8" – 12". Citrus  
fragrance. Great for containers  
or landscape.

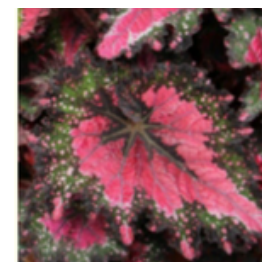

**Dragone Dusty Rose**  
*Begonia hiemalis*  
Shade 12" x 9" A bright pink  
begonia that will light up the  
shade landscape and containers.

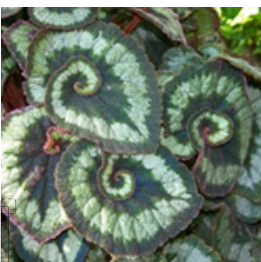

**Rex Non Patented**  
*Begonia rex-cultorum*  
Assortments include (if  
available): Aurora, Fireworks,  
Eugene, Raspberry Crush,  
Redmond, Silverto, and  
Woodburn.

**Dragone Sunset**  
*Begonia hiemalis*  
Shade 12" x 9" A subtle but  
warm color that pairs well  
with most shade plants.

**Rex Patented**  
*Begonia rex-cultorum*  
Assortments include (if  
available): Shadow King  
Cherry Mint, SK Cool White,  
SK Rose Explosion, SK Black  
Cherry, Jurassic Watermelon,  
Silver Swirl, and Greenstreak.

**Escargot**  
*Begonia rex-cultorum*  
Part shade to shade 12" – 16"  
tall. Spiral leaves resemble snail  
shells.

# Caladiums

sold by grower's assortment only

## Pink Assortment

assortments may include Carolyn Whorton, Fannie Munson, FM Joyner, Rosebud

## Red Assortment

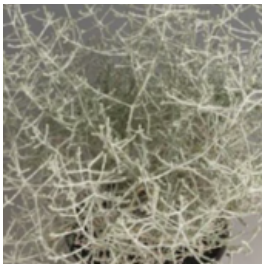

assortments may include Blaze, Festivia, Poecile, Freida Hemple

## White Assortment

assortments may include Candidum, White Queen, White Christmas, June Bride, Miss Muffet

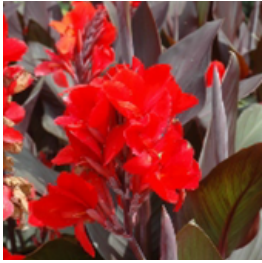

**Calocephalus Bed Head**  
*Calocephalus brownii*  
 Sun 8" x 10". Heat tolerant.  
 Great accent plant for  
 containers. When dried it can  
 be used for wreaths and crafts.

**Cassia**  
*Cassia didymobotrya*  
 Full sun. Smells like buttered  
 popcorn when leaves are  
 rubbed. Good in containers or  
 landscape.

**Canna Cannova Bronze  
 Scarlet**  
*Canna x generalis*  
 Full sun 20" x 15". Bronze  
 foliage combines well with red  
 flowers that bloom in the  
 summer.

**Centaurea Silver Swirl**  
*Centaurea*  
 8" x 11". Stunning silver-  
 white leaves make the perfect  
 addition to any landscape.  
 Thrive in full sun.

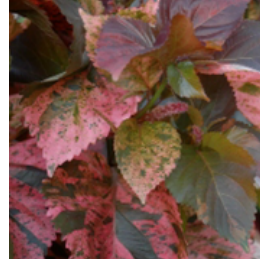

**Canna Cannova Orange  
 Shades**  
*Canna x generalis*  
 Full sun 24" x 15". A beautiful  
 tropical color to add another  
 dimension to your plant  
 inventory.

**Chenille Cat Tails**  
*Acalypha pendula*  
 Sun to shade 3" x 12".  
 Distinctive flower display  
 provides an interesting touch  
 to containers.

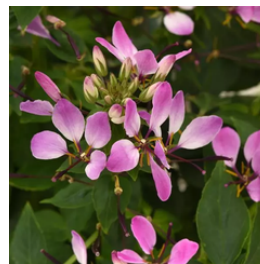

**Canna Cannova Red Shades**  
*Canna x generalis*  
 Full sun 24" x 15". Provides  
 warm color for the garden  
 Dependable plant for the  
 landscape.

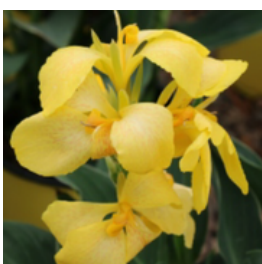

**Chenille Copperleaf Bronze**  
*Acalypha*  
 Full sun 2'x3'. This plant is gaining  
 popularity as a container item. The  
 bright copper leaves compliment  
 the surrounding flowers.

**Canna Cannova Rose**  
*Canna x generalis*  
 Full sun 24" x 15". A soft to  
 medium pink flower.

**Cleome Lavender Dreams**  
*Cleome*  
 Full sun. Heat and drought tolerant.  
 Soft thorns make it easier to handle  
 than other varieties.

**Canna Cannova Yellow**  
*Canna x generalis*  
 Full sun 24" x 15". A bright  
 but warm and pleasing yellow  
 bloom. A very tropical  
 looking plant.

**Green Leaf Cotton**  
*Gossypium hirsutum*  
 Sun 36" x 12". Easy and fun to  
 grow! Late season interest of  
 fluffy cotton balls.

**Citronella Mosquito Plant \*SEE DISCLAIMER BELOW\***

Sun 12" x 12". Citronella scented plant that helps repel mosquitoes and other insects in the summer.

**\*Citronella Disclaimer\*- Due to the lack of commercially available, clean, citronella stock we propagate and grow our own Citronella plants. Citronella has been known to be infected with "leafy gall" (Rhodococcus fascians) and we are currently selecting mother stock that does not show symptoms. However, this is no guarantee that the plants are bacteria free. We have instituted higher sanitation practices for our mother stock and propagation and keep them separate from all other propagation. If at any time symptoms appear, including at time of shipping, plants will be discarded and not shipped. When purchasing Citronella from Trail, it is at YOUR OWN risk. We will do our best to eliminate symptomatic plants, but once you have received our plants, please notify us within 24 hours to claim any material. No additional claims after 24 hours will be honored.**

**Colocasia Blue Hawaii**

*Colocasia esculenta*

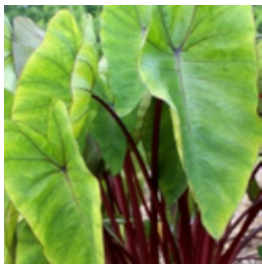

3'x4'. Plant in partial sun.

**Craspedia Golf Beauty**

*Craspedia*

Sun 20" x 18". A globe shape that adds interest to any container or plant display.

**Colocasia Hawaiian Punch**

*Colocasia esculenta*

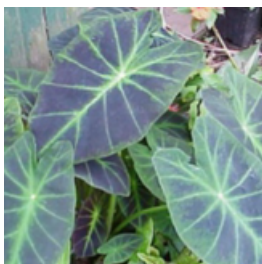

3'x4'. Plant in partial sun or full shade.

**Crossandra Apricot Sun**

*Acanthaceae*

Shade. 12" x 12" These widely flaring, soft orange flowers will often flower until frost. Perfect for baskets or gardens.

**Colocasia Illustris**

*Colocasia esculenta*

Part sun to shade 4'x3'. Grown as annuals for their outstanding leaves that can be 2 feet long and 1 foot wide.

**Crossandra Watermelon**

Dark green with small pink flowers. Great for hanging baskets and containers.

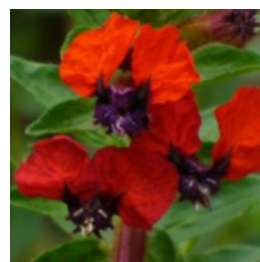

**Colocasia Royal Hawaiian**

**Maui Sunrise**

*Colocasia esculenta*

Shade 24" x 18".

**Cuphea Ilavea Bat Face**

*Cuphea ignea*

Sun 12" x 12-15". Red flower with a black center that most certainly resembles a bat's face.

*Cuphea hyssopifolia*  
Sun to partial shade 12" x 12". Attracts butterflies. Great for containers.

**Datura Ballerina Double Purple**  
*Datura metel*  
Sun 3' x 2'. Light and dark purple mix together to produce a show stopping flower.

**Cuphea Honey Bells**  
*Cuphea hybrida*  
10-12" x 14-20". This boasts eye popping bicolor rose and light yellow tubular shaped flowers. Semi trailing habit.

**Datura Ballerina Double Yellow**  
*Datura metel*  
Sun 3' x 2'. A baby yellow double swirl trumpet flower. Stunning in the garden.

**Cuphea Cherry Bells**  
*Cuphea*  
Sun or shade, 12"-24" tall.

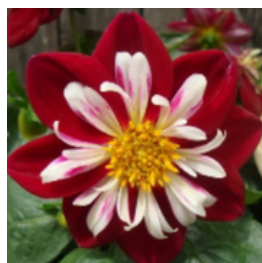

**Dichondra Silver Falls**  
*Dichondra*  
Sun or shade 3' x 15". Silver foliage that creeps and spills over containers.

**Cuphea Sugar Bells**  
*Cuphea*  
Sun 10"-12". Great spreading variety and in baskets.

**Dianthus Green Giant**  
*Dianthus*  
Full sun 10" x 12". Unique fuzzy, green ball flowers.

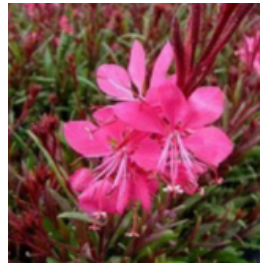

**Dahlia Starsister Red/White**  
*Dahlia*  
Sun 12" x 12". Double flower with red being the bottom accent and white on top.

**Dipladenia Madinia Pink**  
*Dipladenia*  
Full sun 24" x 15". Bright trumpet shaped blooms. Excellent for growing on a trellis.

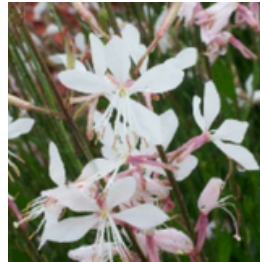

**Duranta Gold Edge**  
*Duranta erecta*  
Sun to part shade 20" x 18".  
Foliage is drought tolerant and bright yellow.

**Gaura Belleza Dark Pink**  
*Guara lindheimeri*  
Sun 18" x 24". Loads of dainty pink flowers.

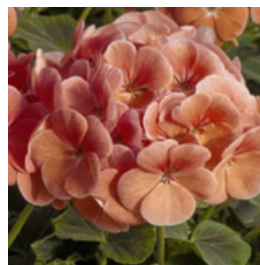

**Eucalyptus Silver Blue**  
*Eucalyptus cinerea*  
Full sun 36" x 15". Fragrant gray green foliage.

**Gaura Belleza White**  
*Guara lindheimeri*  
Sun 18" x 24". A bright white flower.

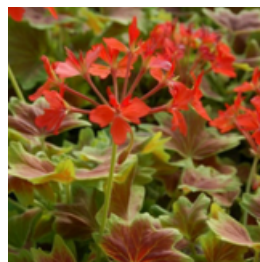

**Fuchsia Upright Rose Purple**  
*Fuchsia*  
Shade to part sun 10" x 12".  
Colorful bell shaped flowers.  
Use in containers.

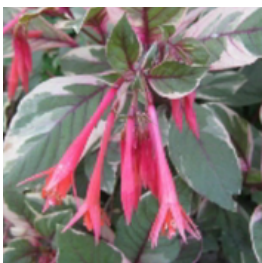

**Geranium Bullseye Salmon**  
*Pelargonium*  
Sun 12" x 15". Unique color and long season performer.

**Fuchsia Upright Lilac Rose**  
*Fuchsia*  
Shade to part sun 10" x 12".  
Purple and lilac contrast colors!

**Geranium Vancouver**  
*Pelargonium*  
Full sun 10-12" x 12-18".  
Bright orange flowers contrast well with the brick red foliage.

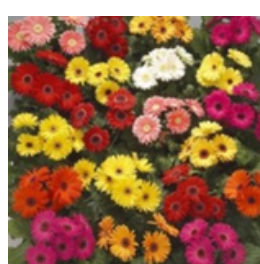

**Fuchsia Firecracker**  
*Fuchsia*  
Part shade 18" x 12". Variegated foliage with hot pink flowers.

**Geranium Wilhelm Langguth**  
*Pelargonium hortorum*  
Produce silvery green leaves that are bordered in creamy white and topped with large clusters of double scarlet-red flowers.

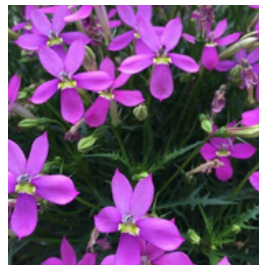

**Fuchsia Gartenmiester**  
*Fuchsia*  
Shade or part sun 12x10". Has long, thin brick red flowers.

**Gerbera Revolution Series**  
Full sun to part shade 12" x 12".

**Golden Candles Plant**  
*Pachystachys lutea*  
 Bright shade 24" x 36-48".  
 Unique flowers and all around nice plant for shade combinations.

**Isotoma Pop N Fizz Pretty in Pink**  
*Isotoma*  
 Full sun. 8-12" with rose pink flowers with cheery yellow eyes. Great for containers

**Hamelia Red**  
*Hamelia*  
 Sun 3' x 3-4'. Rich red flower buds at branch tips, followed by small black fruit.

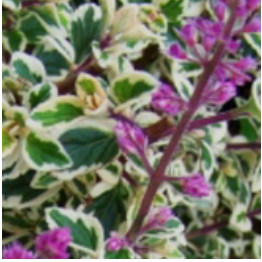

**Justicia Hollanda**  
*Justica*  
 Shade to part shade 15" x 20".  
 A must have! Dark leaves with large coral pink blooms.

**Heliotrope Fragrant Delight**  
*Heliotrope aborescens*  
 Sun to part sun 12" x 18".  
 Clusters of vanilla scented flowers.

**Lantana Samantha**  
*Lantana*  
 Sun 24" x 18". Unique variegated lantana.

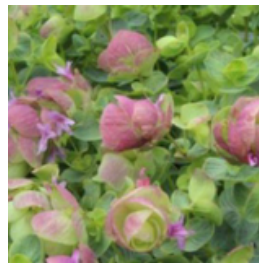

**Hemizygia Candy Kisses**  
*Hemizygia*  
 Sun to part sun 12" x 18".  
 Delicate foliage and lavender flower spikes.

**Mandevilla Giant Deep Pink**  
*Mandevilla x sunmandecos*  
 Partial to full sun. 10'-15'.  
 Large pink booms appear continuously. Great for trellises.

**Iresine Blazin' Lime**  
*Iresine herbstii*  
 Part sun to shade 20" x 18".  
 Bright green foliage that contrasts great in containers.

**Ornamental Oregano Kirigami**  
*Origano hybrida*  
 8" x 24". Non culinary oregano. Used in dry flower arrangements.

**Iresine Blazin' Rose**  
*Iresine herbstii*  
 Part sun to shade 20" x 18".  
 Colorful rose foliage accented by burgundy variegation.

**Mandevilla Sunbeam Yellow**  
*Mandevilla*  
 Full sun or partial sun. Bushy but can be trained upwards on a trellis.

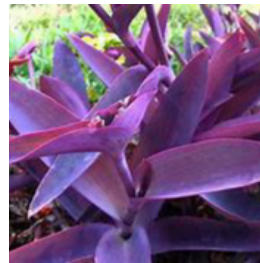

**Ornamental Pepper Calico**  
*Capsicum annuum*  
 Variegated green purple and cream leaves with small pointed purple fruits that mature red.

**Pseuderanthemum Stainless Steel**  
*Pseuderanthemum*  
 Full sun. 12-15". Large glossy almost black oval leaves provide great contrast to bright blooms.

**Ornamental Pepper Black Pearl**  
*Capsicum annuum*  
 Sun. Black foliage, eventually produces clusters of black pearl-like shiny peppers.

**Purple Heart Setcreasea**  
*Setcreasea purpurea*  
 Shade or part shade 16" x 10".

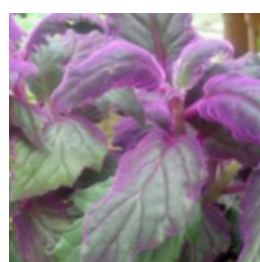

**Pilotus Joey**  
*Pilotus*  
 Sun to part sun 12" x 15". Distinctive flower shape adds interest to any landscape.

**Purple Heart Setcreasea Variegated**  
*Setcreasea purpurea variegata*  
 Shade or part shade 16" x 10".

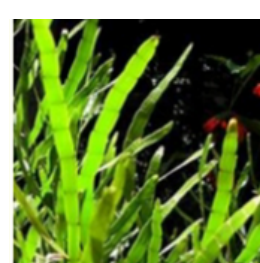

**Plectranthus Fancifillers Guacamole**  
*Plectranthus*  
 Sun or shade 12" x 20".

**Purple Passion Velvet**  
*Gynura aurantiaca*  
 Shade or part shade 18" x 12". Velvety leaves.

**Plectranthus Variegated**  
*Plectranthus*  
 Sun to part sun 36" x 18". A lemon scented trailing plant.

**Ribbon Bush**  
*Homalcladium platycladium*  
 Shade or sun 12" x 18". Looks like bamboo!

**Pseuderanthemum Rubrum Black Varnish**  
*Pseuderanthemum*  
 Full sun. 12-15". Large glossy almost black oval leaves provide great contrast to bright blooms.

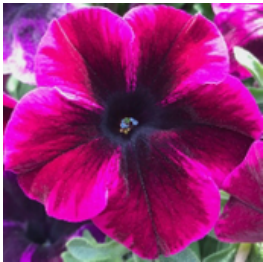

**Salvia Cathedral Blue**  
*Salvia farinacea*  
 Sun 12" x 18". Deep blue, profuse flowering.

# Petunias

**Petunia Bees Knees**

Sun 8" x 16", Versatile, works well in containers and the landscape.

**Crazytunia Cosmic Purple**

Sun 6" x 12". Stunning pink and red flowers are great for any application.

**Crazytunia Cosmic Violet**

Sun 6"x12". Bold colors make it stand out in hanging baskets, containers, and landscapes.

**Crazytunia Lighthouse Pink**

Sun 6" x 12". Heat seeking, attracts hummingbirds.

**Crazytunia Pink Flamingo**

Sun 6" x 12". Great for containers, baskets, and landscapes.

**Petunia Pink Diamond**

Sun to partial sun 2-10" x 20-26" Features huge double blooms that are great for hanging baskets.

**Petunia Headliner Crystal Sky**

*Petunia cultivars*  
10-16" x 20-30". Features florescent colors, medium vigor and a mounding habit.

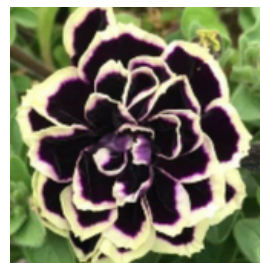

**Petunia Night Sky**

Full sun 10" x 24". Unique flower with white spots that vary with sun exposure.

**Petunia Surprise Sparkle Red**

Shiny flowers with novelty white sparkle pattern.

**Petunia Midnight Gold**

Sun 8" x 10". Exceptional branching with profuse flowering. Great for baskets.

**Petunia Vogue Lemon Berry**

Sun 8" x 14". Early to flower with mounded, compact habit.

**Salvia Plum Crazy**

*Salvia*

Sun 36"x36". Great pollinator plant. Attracts butterflies and hummingbirds.

# TRAIL NURSERIES 'PLANTS FOR PLANTERS' PREFINISHED PROGRAM

## Overview

**Product:** 'Plants for Planters', is a collection of premium annuals and choice vegetables. The annuals are proven to be useful in combination planters and landscape plantings. We use our best horticulture judgment to grow the best, brightest, and most interesting in the annual category.

**Product detail:** The annuals are grown in 4.5" round pots. We put in enough cuttings, plants, or bulbs to make full pots when finished. The vegetables are grown in 4" square pots. Proven Winner pots are grown in a 4.5" round PW branded white pots packed 8 per tray.

**Timing:** The prefinished plants are scheduled to finish in April and May for prime sales, 4 to 5 weeks after delivery. This is not an exact science, so no claims are made as to size or degree of flowering. We finish warm (62 to 64 degree nights). Growing below 60 degree nights will delay the crops. All Caladiums will have 6 weeks of growing time- the foliage will just be emerging at the time of delivery.

**Packing:** The annuals are pre-spaced in a flat that holds eight pots upright. The vegetables are in a flat that holds eighteen pots upright. The Proven Winner pots are also packed in a flat of 8 pots.

**Substitutions:** Minor substitutions (such as a different color within a variety or species) will be made within categories, if necessary.

**Labeling:** Each pot will have a tag with the plant name and short description. Pots are labeled to meet labeling requirements of volume and producer name.

**Minimum Order:** The minimum order is 30 flats total for truck delivery, approximately 1 full cart. All orders must be placed as full flats.

**Price:** All plant categories are priced as required based on input costs.

## DISCOUNTS AND SHIPPING

**EARLY ORDER DISCOUNT:** If ordered by Friday, October 6, 2023 you will receive a \$1.20 per flat discount.

**NO DISCOUNT:** Orders placed on or after Saturday, October 7, 2023 will be at list price.

**ORDERING DEADLINE: NO PREFINISHED ORDERS WILL BE TAKEN AFTER NOVEMBER 24, 2023.**

**SHIPPING TERMS:** The flats of eight plants will be delivered by our truck on carts with 30 flats average per cart. Delivery cost is \$180.00 per stop in our local area of 60 miles. After 60 miles, the delivery charge is outlined below.

Mileage is determined using Mapquest from our address at 4912 Harmony Grove Rd. Dover, Pa 17315 to the customers' full address.

Four main shipping dates are available in 2024:

Week 10 (Mar. 4), Week 11 (Mar. 11), Week 12 (Mar. 18) – Long Island, Week 13 (Mar. 25) – New England Only.

Deliveries to the Pittsburgh, PA area will be Week 12 ONLY.

Deliveries to the Hartford, Connecticut area will be Week 13 ONLY.

Deliveries to Long Island, NY will be Week 12 ONLY.

Customer pick up is available ONLY on Monday or Saturday of the shipping week.

Shipping Charges Based on Miles and # of Carts

	Miles Drop Charge	Mileage Charge	1-8 Carts	9-16 Carts
0-60	\$180	No charge	No charge	No charge
61-199	\$180	\$1.40 per mile after 60 miles	No charge	No charge
200-250	\$350	No charge	\$75	\$70
251-300	\$420	No charge	\$90	\$85
301-350	\$490	No charge	\$105	\$100

We reserve the right to add a fuel surcharge based on rising fuel costs.

**CLAIMS:** We are committed to shipping your orders on time and in excellent condition. In the unfortunate event that weather or mishandling damages the plant material, these procedures will be followed:

Transit damage must be reported within 24 hours of delivery. Credits will not be issued for damage reported after 24 hours.

Quality or shortage claims must be reported within 48 hours of order receipt. Credits will not be issued for quality or shortages reported after 48 hours.

Photos or digital images will be required to process any claims.

**Truck Deliveries:** Please review your paperwork and plant quality at the time of delivery. Concerns or shortages need to be noted in writing on the acknowledgement before signing for plant material. Credits will not be issued if discrepancy is not noted at time of delivery.

**Customer Pickup:** Please review your paperwork and plant quality prior to leaving Trail Nurseries. Concerns or shortages must be noted on the acknowledgement before signing for the plant material. Credits will not be issued if discrepancy is not noted at time of pick up.

Orders not picked up are subject to cancellation and will be charged in full to customer.

**\*Citronella Disclaimer\***- Due to the lack of commercially available, clean, citronella stock we propagate and grow our own Citronella plants. Citronella has been known to be infected with "leafy gall" (*Rhodococcus fascians*) and we are currently selecting mother stock that does not show symptoms. However, this is no guarantee that the plants are bacteria free. We have instituted higher sanitation practices for our mother stock and propagation and keep them separate from all other propagation. If at any time symptoms appear, including at time of shipping, plants will be discarded and not shipped. When purchasing Citronella from Trail, it is at YOUR OWN risk. We will do our best to eliminate symptomatic plants, but once you have received our plants, please notify us within 24 hours to claim any material. No additional claims after 24 hours will be honored.

Failure to notify Trail Nurseries of claims within the above time frames will result in automatic denial of claims.
